Re: Request for Permission to Keep a Pet at [Property Address]

Dear [Freeholder's Name],

I am writing to formally request permission to keep a pet in my property at [Property Address], where I am the leaseholder. I understand that, according to the terms of my lease, written consent is required to have a pet on the premises.

The details of the pet are as follows:

- **Type of Pet:** [e.g., dog, cat, etc.]
- **Breed and Size:** [Specify breed and approximate weight/size if relevant]
- **Temperament:** [Provide a brief description of the pet's temperament, e.g., "The pet is calm, well-trained, and accustomed to living in an apartment environment."]

I assure you that I will take all necessary measures to ensure the pet does not cause any disruption or nuisance to neighbors or damage to the property. I will be responsible for keeping communal areas clean and free from any pet-related mess or disturbance. Additionally, I am committed to covering any repair costs arising from damage caused by the pet, should any issues arise.

Please let me know if there are any specific conditions or requirements attached to keeping a pet on the property. I am more than willing to comply with any reasonable conditions you may wish to impose as part of the permission.

Thank you for considering my request, and I look forward to your response at your earliest convenience.

Yours sincerely,

[Your Name]
